

NEW ZEALAND MAJOR EVENTS

Investment Process

The New Zealand Government invests in major events through the Major Events Development Fund to attract, retain, grow and enhance major events in New Zealand.

The Major Events Development Fund is a contestable Fund and is intended as a development programme for events that meet the Fund's investment criteria. If you are considering making an application for Major Events Development Fund investment, please review the investment information contained in this website via menu on the left-hand side of this page and make [contact](#) with the friendly team at New Zealand Major Events well in advance of investment round closing dates.
