

NZAEF EVENT AWARDS

6 AUGUST 2014 — CHRISTCHURCH

The NZAEP Event Awards evening is a must-attend event that recognises the best and brightest in our industry. Coinciding with the Eventing the Future Conference this is a great opportunity to network while we celebrate.

The level of interest and the number of entries received so far has been excellent but there is always space for more. Entries are open until 27 June and all information and how to enter can be found here www.nzaep.co.nz/awards

NZAEP Chair, Terri van Schooten, says the awards are a true recognition of excellence in the industry with entries judged by an independent panel of peers drawn from across the events sector.

"We have worked hard to create an awards process that is simple and flexible but still allows our judging panel to properly assess and select the 'best in class' across the range of categories," says Terri.

"As always the awards are there to recognise those organisations or individuals who show that special something that makes them the best," she says.

Award categories include:

Young event professional

Best event professional

Best emerging event

Best established community event

Best established regional event

Best New Zealand owned major event

Best New Zealand hosted major event

Best partnership for an event

Best one off event

Entries close 27 June. If you have any questions about the Awards please contact nzaepawards@avenues.co.nz

Tickets

Sponsorship

Have you thought about becoming a sponsor of the NZAEP Event Awards? The Awards evening will provide you with a focused opportunity to promote your brand and network with the top echelon of the events sector. This is your chance to raise your company profile, reinforce your brand, reach a number of event professionals, publicise your organisation and meet the movers and shakers of the industry.

For a Sponsorship Prospectus, please contact us at nzaepawards@avenues.co.nz
