UCI BMX World Champs gets backing

On: 18 June 2010

Economic Development Minister Gerry Brownlee announced last week that the government will contribute up to \$350,000 from the Major Events Development Fund towards the 2013 UCI BMX World Championships.

18 June 2010

Economic Development Minister Gerry Brownlee announced last week that the government will contribute up to \$350,000 from the Major Events Development Fund towards the 2013 UCI BMX World Championships.

Bike New Zealand announced earlier that it had won the rights to host the BMX World Championships in Auckland at Vector Arena from 25-28 July 2013
