

NEW ZEALAND MAJOR EVENTS

Resource Bank

Welcome to the Major Events Resource Bank, a practical resource for planning and running your event.

The aim of the Bank is to help event managers achieve a consistently high standard of event management and delivery.

You can view and download:

- Planning advice, sample checklists and templates that can be adapted for different events
- Examples of strategy and operational plans from recent major events
- Information about government's event support and advisory services

While the resource is targeted at major event organisers, the information is relevant to events of all sizes.

The Major Events Resource Bank is a partnership between New Zealand Major Events and the New Zealand Association of Event Professionals. It draws on the 'tried and true' expertise of some of New Zealand's most experienced and successful event professionals.
